

THE SOCIETY FOR
CLINICAL NEUROPSYCHOLOGY

April 2016

Dear SCN Colleague,

Please review this letter for important information from the SCN Executive Committee.

1. **SCN ELECTION:** This year SCN is electing a President-Elect, one Representative to Council, and one Member-at-Large, **Important Note: Ballots for the election will be sent to you directly from the APA Central Office and are NOT included in this mailing. PLEASE VOTE!** Voting is open until May 30, 2016.
2. **APA CONVENTION:** The 124th Annual APA Convention is August 4-7, 2016 in Denver, Colorado. For more information, please visit the APA website at: <http://www.apa.org/convention/>. Please contact the program chair, Dr. Dawn Schiehser (dschiehser@ucsd.edu) or co-chair, Dr. Melissa Lamar (mlamar@psych.uic.edu) with any specific questions regarding the SCN/Division 40 program. Please also see the enclosed flyer.
3. **SERVE ON THE WOMEN IN NEUROPSYCHOLOGY (WIN) SUBCOMMITTEE:** The SCN Public Interest Advisory Committee (PIAC) seeks a neuropsychologist to serve a three year term as a member of the Women in Neuropsychology subcommittee, beginning August 2016. The WIN subcommittee actively supports and mentors women in neuropsychology through a professional listserv, sponsoring a variety of educational and advocacy programs at APA and INS designed to support the professional development of women, and through a mentoring program. Interested parties should email their application to Becky Ready (ready@psych.umass.edu) no later than May 15, 2016. Please see the enclosed flyer for more information.
4. **CONNECT WITH SCN:** Follow SCN on Twitter (<http://twitter.com/APADivision40>) and Facebook (<http://www.facebook.com/division40>), staying tuned in to SCN activities, as well as current issues and events relevant to clinical neuropsychology.

Please let me know if you have any questions or comments about SCN activities.

Kind regards,

Amy Jak, Ph.D.
Secretary, SCN (APA Division 40)

THE SOCIETY FOR
CLINICAL NEUROPSYCHOLOGY

The Society for Clinical Neuropsychology (Division 40 of the American Psychological Association; APA) Public Interest Advisory Committee (PIAC) seeks a neuropsychologist to serve as a **Member** on the **Women in Neuropsychology (WIN) Subcommittee**.

Society for Clinical Neuropsychology Mission

SCN of the APA is a scientific and professional organization of psychologists interested in the study of brain-behavior relationships and the application of neuropsychological knowledge to clinical practice. SCN promotes the use of scientific research to develop its knowledge base and clinical techniques. It is also active in the development and promotion of quality standards of professional training and practice.

Society of Clinical Neuropsychology PIAC Mission

The mission of SCN's PIAC is aligned with the mission of APA's Board for the Advancement of Psychology in the Public Interest, which encourages the generation and application of psychological knowledge on issues important to human well-being. SCN PIAC works to enhance scientific understanding of and training in culture, class, race, ethnicity, gender, sexual orientation, age, and disability. SCN PIAC supports efforts to improve educational opportunities for all neuropsychologists and promotes the delivery of neuropsychological services that adhere to culturally sensitive models.

Mission for the WIN Subcommittee

The WIN Subcommittee is an integral part of PIAC's mission. It actively supports and mentors women in neuropsychology through a professional listserv, sponsoring a variety of educational and advocacy programs at APA and INS designed to support the professional development of women, and through a mentoring program.

WIN Subcommittee Member Responsibilities

- This position requires a modest commitment of time, which is greatest in the Fall
- The subcommittee member will assist with the preparation (via email exchanges and teleconferences) and implementation of WIN-sponsored events at APA or INS with the requirement to attend one of these conferences each calendar year
- The subcommittee member will support other miscellaneous tasks associated with WIN's mission
- The appointment is for 3-years (i.e., the term runs August 2016 through August 2019) and can be renewed
- This position is excellent for a neuropsychologist wishing to get more involved in SCN and APA activities

Application Instructions

Applications should be received **no later than May 15th**. To apply, please email a cover letter detailing your interest in the position and your CV to:

Becky Ready, PhD, ABPP
Society for Clinical Neuropsychology PIAC Chair
ready@psych.umass.edu
